

AGEING, INFLAMMATION AND IMMUNE RESPONSE

SUMMER SCHOOL

**11TH-13TH
SEPTEMBER 2024**

**CONFERENCE HALL
PIAZZALE KOLBE 4,
UDINE
and on TEAMS**

Main Topics of conference.
The school is designed for
Biotechnology, Medicine
and PhD student and will try
to answer the following
questions: "Which is the impact
of ageing on the immune
system? How does the immune
response change during
lifetime?" by combining seminars
with technology lectures.
